

SPIE Lead Retrieval

Before the Event

Scan the QR code with your device to install or update the SPIE Conferences app.

Open the app and sign in with the SPIE.org account used to register for the event.

After signing in select the conference you're attending from the list of current and upcoming events.

During the Event

Capture a Lead

Open

Select the Leads tab

Scan

Tap Scan to capture the QR code on the attendee's badge

Save

Select any relevant qualifiers and tap Save As Lead

View a Lead

Select **My Leads** and tap the lead you'd like to view.

Accessing Your Leads

Your leads, along with your co-workers leads, will be added to a report accessible in the SPIE Exhibitor Dashboard. Your company liaison will have access to this report during and after the event.
